SALE MANAGER—Hal Longley, 16 S. Locust St., Aurora, III.

Here are four beautiful daughters of Leveldale Foray that are to be sold in this auction. From left to right they are: Augusta Queen 22d (Lot 24), Princess Lustre of Leveldale 3d (Lot 25), Leveldale Missie 22d (Lot 27), and Leveldale Clipper 4th (Lot 26).

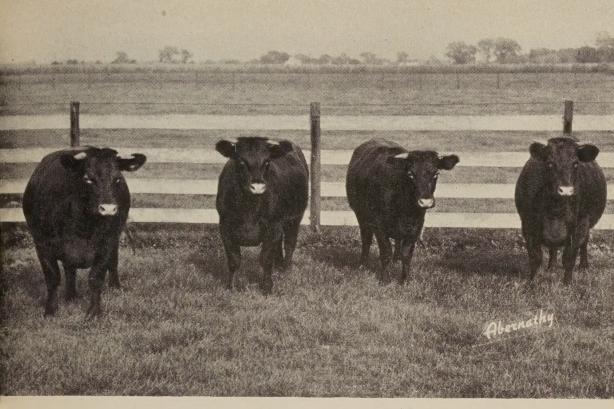

It is very difficult to describe a sale offering from the herds of Mathers Bros. and Arnold Bros. without using superlatives very freely. Since the owners prefer to accept the judgment of the public as to the individuality and quality of their cattle, my own remarks can be summed up in the one brief statement that this sale will be an ideal place to buy for those who want the best.

The owners of the Leveldale and Shore Acres Herds are so well known that introductions are not necessary. They are among the most prominent and most honorable persons connected with the livestock industry. Their herds rate at the very top. Their herd bulls are internationally known for their ability to sire profitable and prize winning calves.

These breeders value their reputations too highly to offer any but cattle of superior type, quality and breeding. The bulls and females listed in this catalog will be among the choicest to be offered this year.

I do not believe my sincere admiration and liking for the owners of these two great herds has caused me to be warped in my opinion of their cattle. Having studied the sources of supply for good seed stock rather carefully over a period of a good many years, I realize that some places provide better buying opportunities and a greater measure of safety than others. I think that Shore Acres Farm, under the guidance of Arnold Bros., and Leveldale Farms, under the guidance of Leslie and Gene Mathers, are among the best.

HAL LONGLEY, of The Shorthorn World.

Here are four beautiful foundation heifers that are included in the Arnold Bros. consignment to this sale. From left to right they are: Almera Clara C (Lot 47), Veney Broadhooks D (Lot 48), Rosetta B (Lot 54), and Shore Acres Goldie B 3d (Lot 55).

Invitation From Owners

We are pleased to extend a cordial invitation to all lovers of Shorthorns to attend our auction on November 11, 1948.

The cattle offered have been selected with the hope of pleasing the most critical buyers. They represent the best we have been able to produce plus a few select imported cattle. We have been importing only a short time yet the results of the ability of those sires and females we have brought over to produce winners has already been proven in a decisive manner.

We are proud of our offering, are sure of their health and are ready to guarantee their usefulness to our customers.

For the benefit of the club boys and girls we will plan to have about 20 head of show steer prospects to sell before the breeding cattle.

Come and spend another profitable day at Leveldale where you can make your selection from two good breeding establishments.

MATHERS BROTHERS
ARNOLD BROTHERS

In this picture are shown two of the most famous cows of the breed, Leveldale Rosewood 10th and Divide Patience 51st, with their calves at side. Both cows won their classes at the International in 1940 and 1941 and the latter was grand champion at that show both years.

The Mathers Consignment

Our offering of 38 head will include three imported bulls sired by Dacre First Command, Cruggleton Braemar and Uppermill Ambassador and four Leveldale bred bulls sired by Imp. Glastullich Celtic, Imp. Glassingall Research, Goldfinder's Majesty and Leveldale Foray.

Although the imported females now on our farm were selected expressly for the purpose of strengthening our own herd, we have decided to share them with the public. We will sell seven of them in this auction, all sired by the greatest bulls in Scotland. Our 24 home bred females are a splendid lot and in this group we will feature the get and service of our two good imported bulls, Glastullich Celtic and Glassingall Research.

For the benefit of the club boys and girls we will offer at auction 20 head of show steer prospects just prior to the opening of the sale of breeding cattle.

GLASTULLICH CELTIC

Bought as a calf from Wm. MacGillivray in Scotland for service in our herd. His symmetry of form, style, alert carriage, wide back, smooth shoulders and bulging quarters are all reflected in the great lot of calves sired by him that are now on our farm.

Imp. Cruggleton Achtoi by Coldoch Silver Wedding. Much of his blood is included in the Arnold Bros. consignment to this sale.

A Pair of Imported Bulls that became Internationally famous through their use in the Arnold Bros.' Herd

Imp. Cruggleton Proud Prince by Cruggleton Willingdon by Cruggleton Captivator. The eighteen head in this sale emphasize his great record in the Arnold herd.

Here are a few of the cows in the Shore Acres Herd owned by Arnold Bros. Top judges from both sides of the Atlantic agree that the Arnold cow nerd is one of the best of the breed. These are largely imported cows or daughters of Imp. Cruggleton Achtoi.

The Arnold Consignment

We fee! that we have never offered a more valuable group from our herd than the twenty that are included in this sale. Eighteen of them are by Imp. Cruggleton Proud Prince and the other two are by Shore Acres Achtoi, the great son of Imp. Cruggleton Achtoi that we retained for herd service. A liberal number of our heifers are bred and the service dates will be announced sale day. We call special attention to the sires whose service will be featured . . . Edellyn Reliant Mercury, the \$7,500 son of Imp. Calrossie Mercury, and Shore Acres Landmark, the imported-in-dam son of Pittodrie Landmark that is now in service at Shore Acres Farm. Calves by both bulls have arrived and they are the best we have ever produced.

We are proud to offer the following twenty head under the name and guarantee of Shore Acres Farm.

SHORE ACRES ACHTOI

This is the son of Imp. Cruggleton Achtoi that we chose to retain for herd service. We liked his individuality and we knew so many good things about his ancestry that we felt very safe. Our faith has been justified. His salves are excellent!
